THE MISSION of the Zeiterion Theatre is to provide New Bedford and the region with performing arts programming of excellence that inspires, educates, engages, and entertains. We seek to bring the community together in shared experience. We believe a performing arts center has the ability to galvanize and transform a community and are committed to serving as a catalyst that energizes the city and the region.

Our aspirations and goals are to: Present a broad range of the highest caliber of national and international performing artists and programs that speak to the diversity of cultures and interests in the region; Encourage and enrich young people's participation, experience and understanding of the world, the arts and creativity; Actively participate in the revitalization of downtown New Bedford.

PROGRAMS
